

We, the staff of Rising Star Gymnastics, recognize our obligation to make our students and their parents aware of the risks and hazards associated with the sport of gymnastics, tumbling and dance. Any activity involving height or motion creates the possibility of serious injury, paralysis and even death from landing on the neck, head and other parts of the body. Mats and pits do not eliminate this hazard.

I, we, the undersigned, also authorize said physician or hospital to release student to gym officials or Rising Star Gymnastics staff upon completion of treatment. This is given pursuant to Section 1283 of the health and Safety Code of California.

This authorization is given pursuant to Provisions of Section 25.8 of the Civil Code of California. This authorization is to include transportation by a Rising Star Gymnastics staff member and/or its representatives, whether paid or volunteer, to any health care facility or hospital, or the calling of an ambulance for said child should the Rising Star Gymnastics staff deem this is necessary.
